Farewell to colleagues

Jane Rollings one of our Practice Nurses will be leaving us soon for pastures new.

We know that Jane will be very much missed by her patients and her colleagues.

We wish her every success!

URGENT CARE HUB

As part of our ongoing commitment to ensure our patients receive the right care, from the right person at the right time, you may be offered an appointment for an urgent problem at our Urgent Care Hub in North Ormesby Health Village.

This is an extension of our Practice and you may be offered an appointment here following triage of your eConsult by the GP on call in the Practice. The Urgent Care Hub has several GPs, Advanced Nurse Practitioners, a Children's Nurse Practitioner and a Paramedic. They liaise closely with our team at the Practice.
